

Advancing Economic Opportunity among Older Adults—AARP Foundation Seeks

Proposals for Education, Outreach and Field-Building Projects

Vision: A country free of poverty where no older person feels vulnerable.

Mission: AARP Foundation serves vulnerable people 50 and older by creating and advancing effective solutions that help them secure the essentials.

Application Deadline: August 31st 2020, 5:00pm ET

AARP Foundation Grantmaking Overview

AARP Foundation works to end senior poverty by helping vulnerable older adults build economic opportunity. As AARP's charitable affiliate, we serve AARP members and nonmembers alike. Through our grantmaking, we support organizations to advance evidence-based projects that can become sustainable and equitable solutions to the challenges facing low-income older adults, sparking bold, innovative solutions that foster resilience, strengthen communities and restore hope.

AARP Foundation Focus on Building Economic Opportunity

AARP Foundation has ambitious objectives for serving low-income people age 50 and older (LI50+) to achieve measureable outcomes, while prioritizing strategies that address issues of equity. These objectives focus on increasing income/earnings, securing benefits and realizing refunds for this population (LI50+).

With this Request for Applications (RFA), AARP Foundation seeks projects that advance economic opportunity among low-income older adults on a systemic level adults, to increase income/earnings, secure benefits, or realize a refund.

AARP Foundation's approach to achieve its goals of increasing income/earnings, securing benefits and realizing refunds will prioritize strategies that seek to diminish systemic barriers, racial and ethnic disparities and other biases in programs and policies.

Please note: there is a separate funding opportunity for Direct Service projects, which includes any project that directly serves individual low-income older adults. Applications for Direct Service projects will not be considered under this RFA. Application requirements and funding levels vary based on the type of project (see RFA page 3).

Advancing Equitable, Effective Solutions

Grant Project Classifications

AARP Foundation funds grant projects that align with its mission and strategic objectives. These projects may be classified as Education, Outreach, and Field-Building. Applicants should review the following chart to identify the classification most reflective of the proposed project.

Classification Definitions	
Education	Projects that facilitate the acquisition of knowledge, skills, attitudes, values, beliefs, and habits pertaining to low-income older adults (e.g. training, instructional material development).
Outreach	Projects designed to increase awareness of and access to services and resources that help low-income older adults.
Field-Building	Projects that may not directly serve low-income older adults, but advance the work of one or more organizations serving low-income older adults to achieve measurable and sustainable results (i.e., infrastructure support, capacity building).

Reporting & Payment

Award recipients will be required to submit calendar-year quarterly reports that provide programmatic and financial status of their project. Grant payments will be provided in fixed amounts and in accordance with the payment schedule outlined in the award letter. Final payments will be made based on demonstrated ability to expend all awarded grant funds by the end of the project term.
