AARP Offers Smart Driver Course for Mandarin Speakers
Thursday, April 16 in Irvine, CA

AARP is offering a Smart Driver course for Mandarin speakers to refresh their driving skills. As a course participant, you will learn the current rules of the road, defensive driving techniques, and how to operate your vehicle more safely in today's increasingly challenging driving environment. You'll also learn how you can manage and accommodate common age-related changes in vision, hearing and reaction time.

The AARP Smart Driver course, offered by AARP Driver Safety, is the nation’s largest classroom and online driver safety course and is designed especially for drivers age 50 and older. More than 15 million participants have gone through AARP Driver Safety classroom and online courses, taught by more than 4,000 AARP Driver Safety volunteers.

About AARP Driver Safety
AARP Driver Safety first launched in 1979 as the “55 Alive” program to help to keep older drivers independent, safe and confident while on the road. Today, AARP Driver Safety continues to meet the needs of older drivers through leading educational programs that include the AARP Smart Driver Course, CarFit, We Need to Talk, and the Driving Resource Center. The flagship AARP Smart Driver Course is the nation’s largest classroom and online driver safety course and is designed especially for drivers age 50 and older. Over 15 million participants have gone through AARP Driver Safety classroom and online courses, taught by more than 4,000 AARP Driver Safety volunteers. The courses are available in all 50 states, the District of Columbia, and U.S. territories. To learn more visit www.aarp.org/drive or follow us @AARPdsp.
