June 14, 2021

Mr. Michael E. Festa  
AARP Massachusetts State Director  
1 Beacon Street, Suite 2301  
Boston MA. 02108

Dear Mr. Festa,

As the Selectboard of Leverett, Massachusetts, we request your consideration of Leverett's application as part of the Age- and Dementia-Friendly Project in Franklin County and North Quabbin, to the AARP Network of Age-Friendly Cities and Communities, affiliate to the World Health Organization's Global Network of Age-Friendly Cities and Communities. Our community recognizes the need to prepare for an increasingly older population, and the importance of planning and policies that consider the needs of citizens of all ages. This is a matter of equity, but also a means through which we can better sustain our community's social and economic vitality.

We look forward to joining the AARP Age-Friendly Communities Network in order to focus on this goal of achieving a more livable community for older adults and people living with dementia. We believe a process that identifies needs and opportunities for the development of more age and dementia-friendly policies and procedures will enhance the relevance and impact of our planning efforts.

Thank you for your consideration of the Town of Leverett's membership in the AARP Network of Age-Friendly Communities.

Sincerely,

Selectboard, Town of Leverett

Julie Shively, Chair  
Tom Hankinson, Vice Chair  
Melissa Colbert
