RESOLUTION R2022-009

WHEREAS, the health and safety of residents of all ages is of highest concern to the citizens of Washington Township; and

WHEREAS, as the U.S. population ages and people stay healthy and active longer, communities must continue to adapt; and

WHEREAS, Washington Township planning processes, including community revitalization and economic development plans, have and should include the needs of all people regardless of age, income, physical ability, race, and other factors of older adults; and

WHEREAS, members of the AARP Network of Age-Friendly Communities become part of a global network of communities that continue to commit to giving their older residents the opportunity to live rewarding, productive and safe lives; and

WHEREAS, membership in the Network of Age-Friendly Communities includes access to financial assistance and technical expertise;

NOW, THEREFORE, be it resolved by the Washington Township Board of Trustees
That the Washington Township Trustees approve of ensuring Washington Township is a well-designed, livable community that promotes health and sustained economic growth for residents of all ages; and
That the Washington Township Trustees support the continued growth and implementation of planning processes and policies that follow best practices nationwide for our residents and requests participation in the Network of Age-Friendly Communities.

NOW, THEREFORE BE IT RESOLVED by the Board of Trustees of Washington Township that

Motion made by ______________; motion seconded by ______________.

Vote was as follows:

Lowry, ______________; Paulson, ______________; Berry, ______________.

PASSED AND ADOPTED by the Board of Trustees of Washington Township on this _____ day of ______________, 2022.
