Mayor

November 16, 2016

Jeff Johnson
AARP Florida State Director
400 Carillon Pkwy, #100
St Petersburg, FL 33716

Dear Mr. Johnson:

On behalf of the City of Hollywood, we are excited to join with the AARP and the World Health Organization (WHO) to become an Age-Friendly Community. Along with other selected communities in the nation, Hollywood is committed to promoting policies to make American cities friendly to aging populations. I see great value in the AARP Network and am excited to begin establishing the City of Hollywood as an age-friendly city.

To address these changing demographics, the City Commission has approved a resolution to convene a Task Force on Aging comprised of a diverse group of representatives from the healthcare industry; local non-profit organizations; business community: the Broward County Public School District; staff from a Broward County Commissioner's Office; citywide residents; and ex-officio representatives from the City's Department of Parks, Recreation and Cultural Arts, Office of Human Resources, Division of Planning, and the Division of Community Development.

As a participant in the national network of communities, it is the intent of the City of Hollywood, Florida to:

- Assist in conducting a citywide assessment
- Develop recommendations for an Action Plan outlining steps the City can take to become more age friendly

I look forward to working with the AARP, its members and volunteers, and other stakeholders.

Sincerely,

Peter Bober
Mayor
