Resolution Supporting a Regional Effort Toward an Age Friendly Community

Whereas we, the members of the Greenwood Board of Selectmen, have previously committed ourselves to supporting volunteer efforts to make the Town of Greenwood more age-friendly for its citizens, and;

Whereas, we have accepted membership in the AARP Network of Age Friendly Communities;

Be it resolved by the Greenwood Board of Selectmen assembled in an official Selectmen's Meeting that we endorse and support joining with neighboring towns to promote regional efforts to make our area more age-friendly where and when issues cross town boundaries.
