RE: AARP Livable Community Project

Dear AARP Board Members:

The City of Fruita would like to offer this letter as a form of support for the AARP Western Slope Alliance in their application for designation of Mesa County as an **AARP Livable Community**.

The Alliance has seen a growing influx of the 50-plus population into Mesa County and recognizes the expanding importance of this group, as does the Fruita City Council.

To make Mesa County even more attractive to this demographic, the Fruita City Council supports the Alliance's aim to help seniors live more easily and comfortably by joining AARP's Network of Age-Friendly Communities.

The City of Fruita appreciates and encourages the continued support from AARP for this valuable Livable Community Project and would like to see the Alliance be able to maximize efforts in providing Age-Friendly services to all seniors in Mesa County.

Sincerely,

Lori Buck
Mayor, City of Fruita
