Re: AARP Age Friendly Membership

Dear Ms. Parham:

I am writing on behalf of our newly assembled Age-Friendly group in order to apply for membership in the Network of Age-Friendly Communities!

I have enclosed the completed application, along with letters from our city manager, mayor and two city councilors (who are also on our committee.)

Please let me know if anything is missing. We do not yet have a logo to submit, but we are planning to decide on one soon.

Thank you for your help with this process! We excited to get things underway!

Sincerely,

Jan Biron
Age-Friendly Communities Secretary

Re: Membership Application

Dear Ms. Parham:

On behalf of the City of Auburn, I am pleased to submit this letter of interest and commitment in the AARP/World Health Organization Network of Age-Friendly Communities. The City of Auburn recognizes the importance of encouraging and promoting age-friendly planning and policies to address changing demographics and to enhance independent living, and is committed to a process of continual improvement to support active and healthy aging.

As part of our involvement and commitment, we will conduct a base assessment of the community's age-friendliness and develop a community action plan based on the findings of the assessment. We will involve older residents deeply in the planning process and we commit to monitoring progress toward implementing the action plan.

Sincerely,

CITY OF AUBURN
