State Director Michael Festa AARP Massachusetts  
1 Beacon Street, Suite 2301  
Boston, MA 02108

Dear Mr. Festa,

On behalf of the Town of Norwood and the Council on Aging, I am pleased to submit this letter of commitment and support for the Neponset River Regional Chamber application requesting membership in the AARP WHO Global Network of Age Friendly Communities.

The Town of Norwood is a vibrant community that celebrates its residents across the lifespan as they live, work and choose to age in our community. Norwood encourages and appreciates the diverse community we are and highly values the many qualities of our residents. Norwood strives to ensure its policies, programs and services are equitable and accessible for all.

The Town of Norwood listens to its older residents and is committed to working on their behalf. Norwood will develop a stakeholder committee to review/expand existing policies, assess the need for changes to our infrastructure, and connect with our older adult residents. I believe that working with the Age Friendly initiative of Neponset River Regional Chamber will allow us to advance these principles.

We are excited to become a part of this wonderful global community and fully support the efforts of the Neponset River Regional Chamber. Thank you for your consideration.

Respectfully,

Tony Mazzucco  
General Manager
