Dear Mr. Wilson:

On behalf of the Village of Shorewood, I am proud to present Shorewood's Age-Friendly Plan 2019-2023 to AARP Wisconsin and to the AARP Network of Age-Friendly Communities. The plan reflects the hard work of many residents and organizational partners to create a vision that will move Shorewood forward in a quest to become a more livable city for all.

Membership in the AARP Age-Friendly Communities Network has provided us with an opportunity to elevate awareness of age-friendly considerations and has reaffirmed our commitment to making our Village a place where seniors and people of all ages can be connected to and contribute to the overall life of the community. We're excited to move forward, building upon the groundwork laid by the Shorewood Connects project under the leadership of our Elder Services Advisory Board.

We look forward to a continued partnership with AARP as we begin implementation. Thank you for your ongoing support of our efforts.

Sincerely

Allison Rozek
President, Village of Shorewood
