Ms. Rebecca Kelly, Director
AARP Tennessee
150 4th Avenue North
Suite 180
Nashville, TN 37219

Dear Ms. Kelly:

On behalf of the City of Jackson, I would like to express our interest in becoming a member of the AARP Network of Age-Friendly Cities. The City of Jackson encourages its citizens to be active participants in the community by promoting programs and projects that allow all to experience health, purpose, prosperity and dignity, no matter their age.

The City of Jackson is the proud home of roughly 65,000 residents and a regional service area to over 400,000, allowing for a diverse and ever-changing demographic. While we strive to support a higher quality of life for people of all ages, we also recognize the importance of establishing resources for our aging population to remain safe, and involved within our community.

We are excited at the opportunity to help Jackson become an AARP Livable Community, and believe the changes will be well-received.

We look forward to working closely with AARP Tennessee staff and volunteers to devise a plan best suited to the needs and desires of our community.

Respectfully,

Scott Conger,
Mayor of Jackson, Tennessee
