Director
AARP Network of Age-Friendly States and Communities

Dear Director:

On behalf of the City of Weston, West Virginia, I am pleased to present our letter of commitment to creating an age-friendly environment. We are committed to becoming a livable community to promote health and sustainable growth and contribute to the well-being of citizens in all stages of life.

As a member of the AARP Age-Friendly Community, it is our intent to do the following:

- Pursue the active engagement of older adults in the planning process through outreach and inclusion by bringing events to where older people live and recreate;
- Pursue outreach through various venues in Weston and Lewis County;
- Establish and plan of action that responds to the needs identified by older people;
- Develop a mechanism to measure our efforts, reviewing action plans and reassessing our goals;
- Keep the public informed throughout the process.

We look forward to working with AARP to make our city a place where we can all age with dignity.

Sincerely,

Mayor Kim Harrison
