Impacts of High Rx Prices to Colorado Residents

453,089 Colorado residents diagnosed with cancer.¹

250,977 Colorado residents have diabetes.¹

326,063 Colorado residents have asthma & or COPD.¹*

Between 2015 and 2020, the price of these name brand drugs increased:

- **Revlimid** treats forms of cancer
  - from $185,574/yr
  - to $267,583/yr²

- **Victoza** treats diabetes
  - from $7,936/yr
  - to $11,300/yr²

- **Spiriva Handihaler** treats asthma/COPD
  - from $3,886/yr
  - to $5,289/yr²

It is outrageous for Americans to pay more than 3 times what people in other countries pay for the same medicines.

Congress: Stop unfair drug prices.
