Impacts of High Rx Prices to Nebraska Residents

154,085 Nebraska residents diagnosed with cancer.¹
121,135 Nebraska residents have diabetes.¹
115,631 Nebraska residents have asthma & or COPD.¹*

Between 2015 and 2020, the price of these name brand drugs increased:

**Revlimid**
- Treats forms of cancer
- From $185,574/yr to $267,583/yr²

**Victoza**
- Treats diabetes
- From $7,936/yr to $11,300/yr²

**Spiriva Handihaler**
- Treats asthma/COPD
- From $3,886/yr to $5,289/yr²

It is outrageous for Americans to pay more than 3 times what people in other countries pay for the same medicines.

**Congress: Stop unfair drug prices.**
