Impacts of High Rx Prices to Nevada Residents

231,724 Nevada residents diagnosed with cancer.¹

202,674 Nevada residents have diabetes.¹

260,763 Nevada residents have asthma & or COPD.¹

Between 2015 and 2020, the price of these name brand drugs increased:

- **Revlimid** treats forms of cancer
  - from $185,574/yr to **$267,583/yr²**

- **Victoza** treats diabetes
  - from $7,936/yr to **$11,300/yr²**

- **Spiriva Handihaler** treats asthma/COPD
  - from $3,886/yr to **$5,289/yr²**

It is outrageous for Americans to pay more than 3 times what people in other countries pay for the same medicines.

**Congress: Stop unfair drug prices.**
