1,179,325 Pennsylvania residents diagnosed with cancer.

917,057 Pennsylvania residents have diabetes.

1,070,816 Pennsylvania residents have asthma & or COPD.

Between 2015 and 2020, the price of these name brand drugs increased:

- **Revlimid** treats forms of cancer
  - from $185,574/yr to $267,583/yr

- **Victoza** treats diabetes
  - from $7,936/yr to $11,300/yr

- **Spiriva Handihaler** treats asthma/COPD
  - from $3,886/yr to $5,289/yr

It is outrageous for Americans to pay more than 3 times what people in other countries pay for the same medicines.

Congress: Stop unfair drug prices.
