Impacts of High Rx Prices to Puerto Rico Residents

143,390 Puerto Rico residents diagnosed with cancer.¹
382,581 Puerto Rico residents have diabetes.¹
223,952 Puerto Rico residents have asthma & or COPD.¹*

Between 2015 and 2020, the price of these name brand drugs increased:

- **Revlimid**
  - Treats forms of cancer
  - From $185,574/yr to $267,583/yr²

- **Victoza**
  - Treats diabetes
  - From $7,936/yr to $11,300/yr²

- **Spiriva Handihaler**
  - Treats asthma/COPD
  - From $3,886/yr to $5,289/yr²

It is outrageous for Americans to pay more than 3 times what people in other countries pay for the same medicines.

**Congress: Stop unfair drug prices.**
