

Impacts of High Rx Prices to Wisconsin Residents

499,362 Wisconsin residents diagnosed with cancer.¹

337,247 Wisconsin residents have diabetes.¹

432,708 Wisconsin residents have asthma & or COPD.^{1*}

Between 2015 and 2020, the price of these name brand drugs increased:

Revlimid
treats forms of cancer

from \$185,574/yr
to **\$267,583/yr²**

Victoza
treats diabetes

from \$7,936/yr
to **\$11,300/yr²**

Spiriva Handihaler
treats asthma/COPD

from \$3,886/yr
to **\$5,289/yr²**

It is outrageous for Americans to pay more than 3 times what people in other countries pay for the same medicines.

Congress: Stop unfair drug prices.
