Thank you for taking the time to participate in this important national study. This is a one-time survey and should take about 20 minutes of your time.

SC1a. At any time in the last 12 months, has anyone in your household provided unpaid care to a relative or friend 18 years or older to help them take care of themselves?

This may include helping with personal needs or household chores. It might be managing a person’s finances, arranging for outside services, or visiting regularly to see how they are doing. This adult does not need not live with you.

Yes, I have provided care to an adult in the last year ............................ 1
Someone else in my household has provided care (not me) ................... 2
No........................................................................................................... 3

IF AGE TARGETED CAREGIVERS (SAMPLE>4) AND RESPONDENT NOT CAREGIVER (SC1a=1), TERMINATE AS NON-CAREGIVER.

IF BASE/ETHNIC (SAMPLE<5) AND RESPONDENT REFUSES (SC1a=missing), TERMINATE.

SC1c. [IF HH ADULT CG (SC1a=1 or 2)]: Were any of the adults that [IF ADULT CG (SC1a=1)]: you/IF HH ADULT CG (SC1a=2): someone in your household] cared for age 50 or older?

Yes........................................................................................................... 1
No........................................................................................................... 2

SC1b. [IF (SAMPLE<5)]: In the last 12 months, has anyone in your household provided unpaid care to any child under the age of 18 because of a medical, behavioral, or other condition or disability?

This kind of unpaid care is more than the normal care required for a child of that age. This could include care for an ongoing medical condition, a serious short-term condition, emotional or behavioral problems, or developmental problems.

Yes, I have provided care to a child in the last year ......................... 1
Someone else in my household has provided care (not me) ............. 2
No........................................................................................................... 3

This is an important study and to be sure we talk to a variety of people, we need to ask you some basic questions about you and your household.
SC6. How many people, including children, live in your household? Please include yourself.

This survey is part of an important national study conducted by the National Alliance for Caregiving and A-A-R-P. We really appreciate your participation.

[IF HELPFUL, INTERVIEWER MAY TELL RESPONDENT] This is a national survey, and although individual answers are confidential, the results from the overall survey will be published.

**IF CARES FOR ADULT:** For the rest of this survey, please think only about the adult or adults age 18 or older for whom you have provided unpaid care to in the past 12 months.

2. **IF CARES FOR ADULT:** How many adults did you provide care for in the past 12 months? [RECORD NUMBER]

   (new 2019) **IF CARES FOR CHILD ONLY:** How many children under the age of 18 did you care for in the past 12 months, because that child or children had some sort of medical, behavioral, or other condition or disability? [RECORD NUMBER]
