

2018 HOME AND COMMUNITY PREFERENCES SURVEY

Staying in the Home and Community

People build strong connections to friends, neighbors, healthcare providers, businesses, and organizations in their community and want to age in place. Having community amenities that support all residents ensures that people can have a choice in how and where they want to age.

6 in 10 adults

would like to remain in their homes and community for as long as possible.

Adults of all ages live in a variety of housing types.

67% single-family home

14% apartment

12% two-family home, townhouse or condo

The desire to stay in their homes and community increases with age.

Stay in the community

60%
Ages 18-49

77%
