

NEW YORKERS ARE FAMILY CAREGIVERS

Across New York family caregivers take on big responsibilities, helping their parents, spouses, and other loved ones live at home. AARP recently surveyed 1,172 New York registered voters age 40+ about caring for their families. Here's what we learned:

41%  Current or Former Caregivers

47%  Likely Caregivers in the Future

Current and former New York family caregivers have huge responsibilities. They:

Current and former New York family caregivers believe it's important to help their loved ones live independently at home, but they also face challenges:

59%
Use their own money to help.

44%
Would have to move loved one into a nursing home if they were no longer able to provide care.

56%
Stressed trying to balance job and family.

46%
Working caregivers, who spent their own money to care for their loved ones, find it hard to save for retirement.
