

2024 New York State Prescription Drug Survey (Omni) Annotated Questionnaire

**STUDY
POPULATION:**

New York State Likely Voters Ages 18 and Older

FIELD DATES:

September 11-16, 2024

**DATA
COLLECTION
VENDOR:**

Siena College Poll
Conducted by Siena College Research Institute

**TOTAL SAMPLE
SIZE (and breakout
of any subgroups):**

Total n=1,003

**MOE or
appropriate
estimate of error:**

New York sample: ± 4.3

NOTES:

- Data were statistically adjusted by region, race/ethnicity, political party, education, statewide vote pattern in the 2020 election, gender, and voter likelihood.
- Percentages maybe not add to 100% due to rounding.
- Default base for all tables is total sample size unless otherwise stated.
