

# Age Diversity & Inclusion Worksheet

EVALUATING YOUR ORGANIZATION FOR RESPECT, INCLUSION, AND EQUITY

Evaluate the strengths and weaknesses of your age diversity and inclusion initiatives by distributing this survey to your employees. A maximum score of 3 is possible for each section. The lowest scores represent areas of potential weakness in your programs. You can use any patterns that surface — do the scores vary widely by business units, age of respondents, tenure of employee? — as a jumping-off point for discussions.
